

Hello everyone - the long-awaited relaxation of Covid-19 restrictions is here, but the safety of our customers and staff continues to be our top priority. We want EVERYONE to enjoy their time with us - free from worry, so to help you feel safe we will be maintaining some precautions:

- we will maintain our enhanced hygiene measures, including hand sanitisers on every table
- we will continue to offer table service in both internal and external areas of the pub
- we will continue to limit the number of bookings in each period, to ensure that we can socially distance tables
- whilst it is no longer compulsory to sign in with NHS Track & Trace, we strongly recommend that customers continue to do so
- although the wearing of masks is no longer compulsory, we respect that many of our customers will still feel more comfortable wearing them. Our staff will act appropriately
- we will offer bar service, but request that customers do not gather at the bar – for those customers that would like to stand, we have standing barrel tables in the patio area

The past year has been challenging, but your goodwill and support has been amazing. As we navigate the next steps, we ask that you to continue to show consideration to your fellow customers – everybody is navigating this journey in their own way !!

Thank you for your continued support, and we look forward to welcoming you very soon.

Team Queens
