Our community-run pub opened in December 2014. We remain open thanks to our customers, staff, investors, suppliers, and especially the many 'behind the scenes' volunteers. Volunteers maintain our Website, Facebook, and Instagram accounts. They handle newsletters, marketing emails, advertising, printing, and chalkboard artwork. They help with our events, gardening (including maintaining the planters and hanging baskets), maintain our buildings and equipment and take on accounting and payroll, operations management, investor relations, community liaison and so much more.....

We thank them all!
